CNRO2009-00012

Dear Sir or Madam:

Reference 1 provided the schedule for submitting license renewal applications for Entergy's nuclear power plants. In References 2, 3, 4, 5 and 6, Entergy provided updated information on proposed license renewal application submittal schedules.

In response to Reference 7 and based on evolving business conditions, this letter revises the previous information on Entergy's plans for future license renewal application submittals as follows:

1. July 2011 Grand Gulf Nuclear Station
2. January 2013 Waterford 3
3. January 2015 River Bend Station

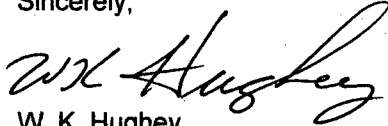

Entergy's plans for future submittal of license renewal applications are subject to reevaluation and further updating as business conditions evolve. If changes in Entergy's plans occur, we will notify the NRC.

A035  
NRR

This letter contains no commitments.

If you have any questions or require additional information, please contact Mr. Garry G. Young at 601-368-5208.

Sincerely,

A handwritten signature in black ink, appearing to read "W. K. Hughey". The signature is fluid and cursive, with the first name "W. K." written in a more abbreviated style.

W. K. Hughey  
Vice President, Business Development
